Doctors

Making Lives
More Healthier

Our mission at Bioxo Healthca
"Quality, Trust and Commitment"
We value it from the core of our heart

Our Manufacturers internationally recognized & certified with the state of the art manufacturing facility and are also equipped with R & D departments that are supported by robust and information technology to ensure high efficacy in all processes of drug manufacturing. The facilities have well equipped quality control laboratories managed **as per WHO, GMP guidelines**. Stringent quality tests are conducted to ensure best quality medicines are produced.

Quality Managements System
Certified with ISO 9001:2015 meeting specification of international organization for standardisation

Safe & Superior Analgesic to **Relieve** Painful Inflammatory Conditions >>

Acezac-SP

Aceclofenac 100 mg + Paracetamol 325 mg + Serratiopeptidase 15 mg

TABLETS

Aceclofenac Anti-Inflammatory

- Promptly reduces pain & inflammatory
- Minimizes gastric irritation

Paracetamol Analgesic

- Induces synergism to reduce pain & inflammation
- Well tolerated L No gastric irritation

Serratiopeptidase The Proteolytic Enzyme

- Relieves oedema & inflammation
- Breaks down abnormal protein exudates

Effective In

- Traumatic surgery
- Low back pain
- Sports injuries & sprains
- Cervical Pain
- Dental Painful Conditions
- Osteoarthritis
- Ankylosing spondylitis

Also Available

Acezac-P

Aceclofenac 100 mg + Paracetamol 325 mg

TABLETS

Acezac-SP...Smart Way to Tackle Pain & Inflammation

Novel Trio to Defeat Pain & Spasm...

Acezac-MR

Aceclofenac 100 mg + Paracetamol 325 mg + Chlorzoxazone 250 mg

TABLETS

Also Available

Acezac-TH 4/8

Aceclofenac 100 mg + Thiocolchicoside 4mg/8mg TABLETS

ACECLOFENAC

- Statistically superior to diclofenac in efficacy in treatment of osteoarthritis

PARACETAMOL

- Safe and effective in most patients

CHLORZOXAZONE

- Power packed muscle relaxant

Effective In

- Cervical spondylitis
- Low back pain
- Frozen shoulder syndrome
- Sprains / Strains
- Traumatic Injury
- Sport Injury

Acezac-MR... Offers Pain & Inflammation free Life

When *Anxiety* and *Depression* disturbs the whole identity...

^R **Befresh-M** Flupentixol 0.5 mg + Melitracen 10 mg TABLETS

✓ **Flupentixol Dihydrochloride**

- Antipsychotic and anxiolytic drug.
- Effective drug for somatoform disorders, irritable bowel syndrome (IBS) & psychosomatic disorders.
- Effective in management of primary and secondary symptoms of psychotic disorders.
- Well tolerated compared to nortipylone in neurotic depression.

✓ **Melitracen Hydrochloride**

- Blocks the respective brain receptors to control psychotic illness.
- Melitracen combined with flupentixol is effective in the management of trigeminal neuralgia.
- A bipolar thymoleptic with activating properties in low doses.

Effective In

- Psychogenic Depression
- Depressive Neurons
- Masked Depression
- Menopausal Depression
- Generalized Anxiety Disorder

Befresh-M...Reset Freshness in Agitated Life

Break the Bacterial cell Wall Surely & Smoothly...

Cefxāc-200 LB

Cefixime 200mg + Lactic Acid Bacillus

TABLETS

with added
advantage of

Lactic Acid Bacillus

For faster recovery & restoring health

- Infectious conditions in which membranes and the placenta are involved cefixime has the highest transplacental passage rate than moxifloxacin, levofloxacin.¹
- Cefixime is very effective as prophylaxis of urinary tract infections with malformative uropathies.²
- Cefixime shorten the time of fever clearance and the duration of diarrhea significantly in the treatment of uncomplicated non-typhoid Salmonella enteritis.³
- Recolonization start faster in patients receiving Lactic acid producing bacteria with antibiotics thus results in lesser adverse event.⁴

Effective In

- Upper Respiratory Tract Infection
- Pharyngitis & Tonsillitis
- Middle Ear Infection
- Paranasal Sinuses
- Urinary Tract Infection
- Acute Otitis Media
- Lower Respiratory Tract Infection

Also Available

Cefxāc-100 DT

DRY SYRUP

Cefxāc-200 LB...Break Bacteria Paradise, Safegurd host

Let your's Patients Enjoy Delicious *Food Every time*

Ⓡ CypXoa-TS

Cyproheptadine Hcl 2mg + Tricholine Citrate 275mg+Sorbitol 70%

SYRUP

○ **CYPROHEPTADINE**

- Tones up the entire digestive system
- Effective appetite stimulant with acceptable side effect profile¹
- Enhances height & weight gain in children with hypopituitarism

○ **TRICHOLINE CITRATE**

- Exhibits Lipotropic action
- Hepato-protective agent
- Increases appetite & Spares methionine for body building²

○ **SORBITOL**

- Ensure normal functioning of digestion
- Acts as an osmotic laxative in the management of constipation

Effective In

- Anorexia
- Malnutrition
- Convalescence
- Loss of weight
- Loss of Appetite
- Anorexia Nervosa

CypXoa-TS...Patient's Friendly Appetite Stimulant

Get **Strength & Safety** While Controlling Severe Inflammatory Condition...

Defxoa-6

Deflazacort 6 mg TABLETS

- ▶ Reduces pain, inflammation & joint swelling¹
- ▶ Lesser HPA axis suppression & less diabetogenic^{2,3}
- ▶ Less effect on the development of corticosteroid-induced osteoporosis, than prednisone
- ▶ Anti-inflammatory efficacy is equivalent to that of Prednisolone less diabetogenic than prednisone
- ▶ Potent steroid with proven safety⁴

Effective In

- Rheumatoid Arthritis
- Juvenile Chronic Arthritis
- Polymyalgia Rheumatica
- Nephritic Syndrome
- Asthmatic Conditions
- Systemic Lupus Erythematosus
- Sarcoidosis
- Ulcerative Colitis
- Dermatological Conditions

Also Available

Defxoa-6 ...A Strong yet Safe Steroid

Allows Fast Eradication of *Tough Infections...*

R Doxyxac-LB

Doxycycline 100mg + Lactic Acid Bacillus 5 million spores

CAPSULES

Categorized Doxycycline as
"Access Group Antibiotic"

First or second line, low-resistance potential
antibiotic for common infections¹

- ➔ Broad Spectrum antibacterial coverage
- ➔ Doxycycline is tetracycline antibiotic
- ➔ Treat bacterial infections while simultaneously protecting the gut flora from disruption caused by the antibiotic.
- ➔ Reduce the risk of gastrointestinal side effects such as diarrhoea, which are common with antibiotic use.
- ➔ Enhance the overall effectiveness of the treatment by ensuring that the beneficial bacteria in the gut are maintained.
- ➔ Lactic acid bacillus re-establishes normal GI flora

Effective In

- Community Acquired Pneumonia
- Acute Otitis Media
- Chronic Bronchitis
- Typhoid Fever
- Pelvic inflammatory disease (PID)
- Urinary Tract Infections

Doxyxac-LB ...Reliable Recovery in Tough Time

For Sure Shot Relief in **PAINFUL SPASM**

Rx **Droxac-M**

Drotaverine Hcl 80 mg + Mefenamic Acid 250 mg

TABLETS

Drotaverine

- ◆ An antispasmodic drug
- ◆ A selective inhibitor of phosphodiesterase
- ◆ Has no anticholinergic effects

Mefenamic acid

- ◆ A non-steroidal anti-inflammatory drug used to treat pain

Effective In

- Smooth muscle spasm
- Biliary & renal colics
- Intestinal colics
- Cholecystopathy, Cholecystitis
- Dysmenorrhoea
- Post-surgical uterine spasm
- Peptic ulcer, spastic constipation

Also Available

Droxac

Drotaverine Hydrochloride 80 mg **TABLETS**
Drotaverine Hydrochlorid 40 mg **INJECTION**

Droxac-M...The Most Potent Anti-Spasmodic

Give the **Relief** for Sustained Time...

CAPSULES

Pantoprazole 40 mg+Domperidone 10 mg(IR)+Domperidone 20 mg (SR)

Enteric Coated Pellets
ACID REFLUX

Domperidone 10mg (IR Pellets)
NAUSEA & VOMITING

Domperidone 20mg (SR Pellets)
GASTRIC EMPTYING

Pantoprazole

- Better penetration for faster symptomatic relief
- Site specific for more potent action with minimal side effect¹
- Longer duration acid suppressing effect

Domperidone

- Effective anti-emetic & gastroprokinetic
- Better for the treatment of FD²

Effective In

- GERD
- Excessive acid production
- Dyspepsia
- NSAID's induced Ulcers
- Gastritis
- Regurgita

Also Available

Duepan-D

Pantoprazole 40mg+Domperidone 10mg **TABLETS**
